CLEAN AIR

School - Work - Home - Play

**UV-C Disinfection
Office / Factory**

**No Chemicals, No Waste.
Safe and Effective**

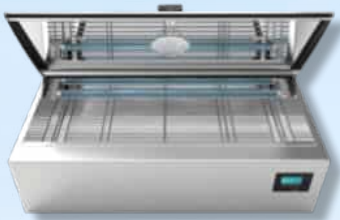

VTM UK Ltd - 01462 473820 - uvc@vtm.co.uk - uvc-vtm.co.uk

SteriWhite Air (Office / Classroom)

Equipped with high-performance UVC technology, the design remains sleek and unobtrusive. A compact size (60 x 60 x 10 cm), it fits discretely into your Surgeries, treatment rooms and waiting areas, thanks to its quiet operation at <39 db(A). Also available in versions for overhead or wall mounting. Several disinfection devices could be used depending on the size of the space. Larger volume units available.

Call for FREE demonstration

UV-BOX (Equipment)

Table-top container made in AISI 304 stainless steel and is equipped with a flat stainless steel grid on which you can place objects to be disinfected. The grid supports the stored objects such as medical instruments, hand held devices and any small object reducing the shaded areas as much as possible to obtain up to 99.9999% disinfection

UV-FAN (Kitchen / Office)

Small but with 18,000 hrs of life, and 253.7nm the XS eliminates Viruses, Bacteria and any other pathogens. Stainless Steel external Body and Germicide Chamber inside, mirrored to enhance UV power. Special honeycomb TiOx filter with Titanium Dioxide Nanoparticles and silver salts photoactivated to avoid NOCs and VOCs and increase indoor Air Quality at each air passage. 24/7 continuous operation time, 50-60 m3/h airflow disinfection, Silent at (32 dB) Horizontal or vertical wall fitting options.

MedicAir Pro V (Office / Classroom)

The state of the art MedicAir® system eliminates the invisible contaminants in a room and disperses clean air filtered for viruses, bacteria and particulates with its ultra-high power 24W UVC technology, 360-degree air intake and five-stage filtration process, it's quick, efficient and quiet. Designed and developed for quality and longevity with widely trusted technology. The Pre-filter, ATP-HEPA, Carbon filter cartridge and the TiO2 catalyzed UV-C reaction chamber, MedicAir® gives you peace of mind.
